JB Industries has won the Bronze in ACHR News 2009 Dealer Design Awards

Aurora, IL - JB Industries was recognized for excellence in product design in the 5th annual Dealer Design Awards Program sponsored by *The Air Conditioning Heating & Refrigeration News* magazine. An independent panel of 41 contractors acted as judges in the contest that had 124 entries from 84 different brands. The company's **Supernova, DV-40 Digital Micron Gauge** was the **Bronze Medal winner** in the **Tools Category**. *The ACHR News* is the leading trade magazine in the heating, ventilating, air conditioning, and refrigeration industries.

JB Industries is honored to be recognized for our continuous efforts in research and development that we put forth to bring the market new, innovative products that save time and money. Winning this award for the fourth consecutive year is a testament to our commitment to constantly reinvest our resources to bring about product efficiencies to better serve market needs. We always welcome feedback and product suggestions. Please contact us at marketing@jbind.com

Winning entries in the Dealer Design Awards were featured in the July 13, 2009 issue of *The ACHR News*, which is distributed nationally to over 33,000 HVACR contractors, wholesalers, and other industry professionals.
