JB Industries Adds to Growing Achievements with launch of ATLAS Refrigerant Charging Scale

Aurora, IL- JB Industries is proud to introduce ATLAS Refrigerant Charging Scale designed for the HVACR industry. Everyday users will appreciate the advanced solid state load cell for superior sensitivity (0.25 oz/ 10 g) and accuracy. The ATLAS's 220 lb. (100 kg) weight capacity, all metal scale construction, heavy duty plastic storage case, and handheld remote combine to make the ATLAS the best overall package in the industry today at a 110 lb. price. Made in the USA, pound for price ATLAS outweighs the competition. See for yourself why JB products are Just Better. Please contact us at 800-323-0811, sales@jbind.com, or at Booth 3257 at AHR Dallas January 29-31.
