

QUICK CONNECT TEST GAUGES

Test Pressure in Seconds with Quick Connect Gauges

Quick connect pressure test gauges are an essential tool for professionals who need fast, accurate pressure readings on large systems or refrigerant tanks. Available in two sizes, these gauges feature all-brass quick connect fittings, ensuring durability and reliability.

FEATURES

- Available in 2-1/2" and 3-1/8"
- All brass quick connect fitting
- Designed for quick pressure checks on large systems or refrigerant tanks
- Perfect for permanent attachment to large systems
- Available with any replacement gauge offered by JB or in different size connections upon request
- Made in the USA
